

## **About Yolanda Gibbons**

Yolanda Gibbons was born in New Haven Connecticut and was raised in Anchorage Alaska. She has had a passion and love for music and performing arts and began singing at an early age. While in Alaska she was involved in music and theatre both in the community and in church. Her list of accomplishments include: Founder of “Off the Hook” (singing group Anchorage, Alaska); director for the Anchorage, Alaska District Choir; director of “Three In One” (Anchorage, Alaska); Founder and vocal director of “Victory and Deliverance” (Anchorage, Alaska); participant in the Anchorage Youth Chorale.

In May 10, 2010 Yolanda relocated to Los Angeles, California to pursue and expand her music career. Since moving to Los Angeles she has added additional musical/theatrical works to her list of accomplishments. These include: Revival! (Chorus Member), Jobs-4-Kids Gospel Brunch (Lead Vocalist), Jazz for the Soul (Featured Artist), and New Beginnings (Featured Vocalist); vocalist for the Eden Experience featured by World renowned Gospel Artist Donald Lawrence; Lead vocalist for 7 Women 7 Stools. She has been a part of the 2020 KJLH Martin Luther King Celebration where she sang her new single “You Were Right There;” she has opened for Fred Hammond; she has shared the stage with Deitrick Haddon; Dorinda Clark Cole; Brent Jones; Dr. Judith Christie McAlister; and Nikki Potts (Kurt Carr Singers);

She was featured at the Moment of Blessings which aired on PBS  
Featured on the Christmas Caroler Challenge which aired on the CW.

Despite her busy ministerial schedule, Yolanda still serves in the music ministry at her local church, New Antioch Church of God in Christ (Los

Angeles, CA), under the leadership of Superintendent Jeffery Martin Lewis. In addition, Yolanda also works as a Business Banking Specialist with Wells Fargo Bank

Yolanda loves to share her testimony where in July of 2007 she was told by her medical physician that she would never be able to sing again due to a lung surgery, which left her with one good lung. However, she did not allow that to discourage or hinder her ability to sing. Yolanda is fully recovered and is still singing the praises of her Lord and savior!!!
